

Job ID: ACDH-CH103AS124

At the Austrian Centre for Digital Humanities and Cultural Heritage ([ACDH-CH](#)), an institute of the Austrian Academy of Sciences ([OeAW](#)), Austria's largest non-university research institution, the Department of Musicology has a vacancy for an

## ACADEMY SCIENTIST (F/M/X)

(part-time, 20h per week)

to be filled from November 01<sup>st</sup>, 2024 at the earliest.

### Your responsibilities:

The position is part of the ÖAW long-term project Vienna research group of the New Schubert Edition. Your responsibilities will include contributing to the platform Schubert-digital and the New Schubert Edition in cooperation with the editorial board in Tübingen at the Department of Musicology at the Eberhard Karls University, Tübingen.

### Your qualifications:

- Completed doctoral studies in musicology
- Interest in philological and source-critical subjects
- Experience in dealing with music manuscripts and letters, preferably from the late 18th and early 19th century
- Knowledge of relevant digital tools such as MEI
- Experience with regard to editorial activities
- Excellent knowledge of the German language

The gross annual salary is at least € 33.250,70 according to the collective agreement of the Austrian Academy of Sciences. The position is initially limited to one year, an extension until the end of 2027 is possible.

We would be pleased to have aroused your interest in this position and ask you to send your comprehensive written application including all relevant documents (letter of motivation, CV, list of publications and doctoral certificate) by e-mail to [acdch-ch-jobs@oeaw.ac.at](mailto:acdch-ch-jobs@oeaw.ac.at), quoting the job ID: ACDH-CH103AS124, by **September 30<sup>th</sup>, 2024** at the latest.
