

2022
Vienna, April 6th-8th, 2022

16th MICROSYPMSIUM on RNA Biology

Scientific organizers:

**Stefan Ameres, Julius Brennecke,
Sebastian Falk, Arturo Mari-Ordonez,
Andrea Pauli & Clemens Plaschka**

Speakers:

Julie ASPDEN University of Leeds

Elena CONTI Max Planck Institute of Biochemistry (MPIB)

Johann DANZL Institute of Science and Technology Austria

Sebastian FALK Max Perutz Labs

Xiaoqi FENG John Innes Centre

Marc FRIEDLÄNDER Stockholm University

Julien GAGNEUR Technical University of Munich

Rachel GREEN Johns Hopkins University

Axel INNIS Institut Européen de Chimie et Biologie (IECB)

Mounia LAGHA Institut de Génétique Moléculaire de Montpellier

Christopher LIMA Memorial Sloan Kettering Cancer Center

Yorgo MODIS, University of Cambridge

Zissimos Mourelatos, University of Pennsylvania

Karla NEUGEBAUER Yale School of Medicine Sciences

Clemens PLASCHKA Research Institute of Molecular Pathology

Jean-Yves ROIGNANT University of Lausanne

Omri WURTZEL Tel Aviv University

Daniel ZENKLUSEN University of Montreal

Apply to be a PhD student or postdoctoral speaker!

Talks will be chosen from abstracts submitted until February 28th, 2022
under <https://www.oeaw.ac.at/imba/seminars-events/microsymposium>

Technology & Application Talks with Speakers from Industry

Attendance is free

Please register online until March 24th, 2022
